About Show

Bulk Handling & Storage Expo Bangladesh is Bangladesh's premier international B2B exhibition dedicated to bulk material handling, storage, conveying, processing, port handling, logistics, warehouse automation, and industrial material flow technologies.

The exhibition brings together global manufacturers, technology providers, engineering companies, equipment suppliers, logistics specialists, port operators, consultants, and industrial buyers on one platform to showcase the latest innovations that improve operational efficiency, safety, sustainability, and productivity across a wide range of industries.

As Bangladesh experiences rapid industrialization and infrastructure development, industries are investing heavily in modern bulk handling and storage systems to reduce operational costs, minimize material losses, improve workplace safety, and increase production capacity. Bulk Handling & Storage Expo Bangladesh provides the ideal marketplace for discovering advanced technologies, building business partnerships, exchanging technical knowledge, and creating new commercial opportunities.

The exhibition serves as a strategic meeting place for manufacturers, importers, distributors, contractors, EPC companies, government agencies, consultants, investors, and decision-makers responsible for material handling, storage, transportation, and industrial logistics.

Why Bangladesh?

Bangladesh has become one of South Asia's fastest-growing manufacturing and industrial economies. Rapid expansion in cement, steel, food processing, feed manufacturing, grain storage, fertilizer, chemicals, pharmaceuticals, power generation, ports, logistics, and infrastructure has significantly increased demand for modern bulk handling and storage solutions.

The country continues to invest in:

- Industrial automation
- Modern warehouses
- Inland logistics
- Seaport expansion
- Inland container terminals
- Grain storage infrastructure
- Food security projects
- Cement production
- Fertilizer distribution
- Renewable energy
- Industrial manufacturing
- Export-oriented industries

These developments create substantial opportunities for global technology providers and equipment manufacturers.

Exhibitors Profile

The exhibition will feature products, machinery, technologies, and engineering solutions for:

Bulk Material Handling

- Belt Conveyors
- Screw Conveyors
- Chain Conveyors
- Drag Chain Conveyors
- Roller Conveyors
- Pneumatic Conveying Systems
- Vacuum Conveying Systems
- Bucket Elevators
- Vibrating Feeders
- Apron Feeders
- Rotary Feeders
- Crushers
- Screens
- Industrial Mixers
- Blending Systems
- Material Transfer Systems

Bulk Storage Solutions

- ❖ Steel Silos
- ❖ Concrete Silos
- ❖ Grain Storage Systems
- ❖ Industrial Storage Tanks
- ❖ Hoppers
- ❖ Bins
- ❖ Stockpile Systems
- ❖ Dome Storage
- ❖ Warehouse Storage Systems
- ❖ Bulk Bag (FIBC) Systems
- ❖ Bag Storage Solutions
- ❖ Pallet Storage Systems

Port Handling Equipment

- ❖ Ship Loaders
- ❖ Ship Unloaders
- ❖ Mobile Harbour Cranes
- ❖ Grab Cranes
- ❖ Gantry Cranes
- ❖ Stacker Reclaimers
- ❖ Bucket Wheel Reclaimers
- ❖ Mobile Hoppers
- ❖ Bulk Cargo Conveyors
- ❖ Port Conveyor Systems
- ❖ Bulk Cargo Storage Terminals
- ❖ Truck Loading Stations
- ❖ Rail Wagon Loading Systems
- ❖ Rail Wagon Tippers
- ❖ Marine Conveying Systems
- ❖ Cargo Sampling Systems
- ❖ Port Weighbridges
- ❖ Terminal Automation Systems
- ❖ Cargo Monitoring Systems

Packaging & Bagging

- ❖ Bag Filling Machines
- ❖ Bulk Bag Filling Systems
- ❖ Bulk Bag Emptying Stations
- ❖ Palletizers
- ❖ Stretch Wrapping Machines
- ❖ Industrial Packaging Equipment
- ❖ Weighing Systems
- ❖ Batching Systems

Dust Control & Environmental Solutions

- ❖ Dust Collection Systems
- ❖ Dust Suppression Systems
- ❖ Industrial Vacuum Systems
- ❖ Air Filtration
- ❖ Industrial Filters
- ❖ Environmental Monitoring Systems
- ❖ Explosion Protection Systems

Industrial Automation

- ❖ PLC Systems
- ❖ SCADA
- ❖ Robotics
- ❖ Smart Factory Solutions
- ❖ AI-Based Monitoring
- ❖ Process Automation
- ❖ Industrial Sensors
- ❖ Instrumentation
- ❖ IIOT Solutions
- ❖ Digital Twin Technology

Industrial Components

- ❖ Pumps ❖ Valves ❖ Bearings ❖ Gearboxes
- ❖ Electric Motors ❖ Drives ❖ Industrial Chains
- ❖ Belts ❖ Wear Liners ❖ Ceramic Protection
- ❖ Rubber Liners ❖ Industrial Fasteners

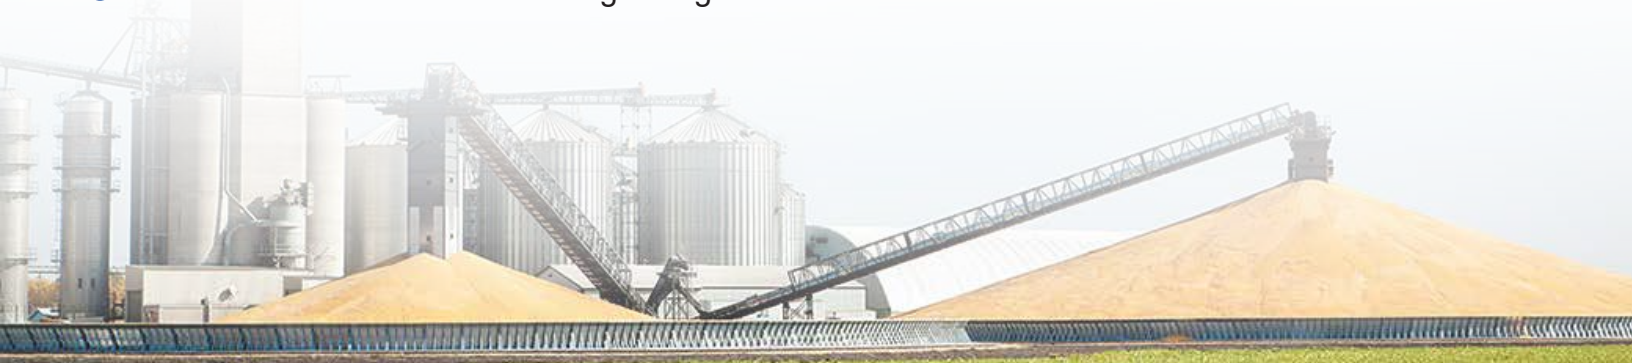

Warehouse & Logistics

- ❖ Warehouse Automation
- ❖ Automated Storage & Retrieval Systems (ASRS)
- ❖ Forklifts
- ❖ Reach Trucks
- ❖ Automated Guided Vehicles (AGVs)
- ❖ Autonomous Mobile Robots (AMRs)
- ❖ Warehouse Management Systems (WMS)
- ❖ Barcode & RFID Systems

Why Exhibit?

Exhibitors can:

- 🌐 Launch new products
- 👤 Meet qualified buyers
- 🎯 Generate high-quality business leads
- 🌐 Expand distribution networks
- ★ Strengthen brand recognition
- 🏢 Meet government and private sector decision-makers
- 🤝 Connect with EPC contractors and consultants
- 👤 Build regional partnerships
- 🌐 Increase export opportunities
- 📶 Enter one of South Asia's fastest-growing industrial markets

Who Should Exhibit?

The exhibition welcomes participation from:

- ❖ Bulk Material Handling Equipment Manufacturers
- ❖ Conveyor System Manufacturers
- ❖ Silo Manufacturers
- ❖ Storage Solution Providers
- ❖ Port Equipment Manufacturers
- ❖ Marine Equipment Suppliers
- ❖ Crane Manufacturers
- ❖ Industrial Automation Companies
- ❖ Robotics Companies
- ❖ Warehouse Automation Companies
- ❖ Packaging Machinery Manufacturers
- ❖ Dust Control Equipment Suppliers
- ❖ Industrial Software Developers
- ❖ Material Flow Engineering Companies
- ❖ Industrial Component Manufacturers
- ❖ Pump Manufacturers
- ❖ Valve Manufacturers
- ❖ Drive Technology Companies
- ❖ Industrial Sensor Manufacturers
- ❖ EPC Contractors
- ❖ Engineering Consultants
- ❖ Industrial Safety Companies
- ❖ Environmental Technology Providers
- ❖ Logistics Equipment Suppliers
- ❖ Material Handling Integrators
- ❖ Industrial Machinery Importers
- ❖ Technology Distributors

Visitor Profile

- ❖ Manufacturing Industries
- ❖ Cement Plants
- ❖ Steel Mills
- ❖ Grain Processing Plants
- ❖ Flour Mills
- ❖ Rice Mills
- ❖ Feed Mills
- ❖ Food Processing Companies
- ❖ Sugar Mills
- ❖ Chemical Plants
- ❖ Fertilizer Plants
- ❖ Pharmaceutical Manufacturers
- ❖ Paper Mills
- ❖ Textile Mills
- ❖ Power Plants
- ❖ Ports & Harbours
- ❖ Inland Container Depots (ICDs)
- ❖ Logistics Companies
- ❖ Warehouse Operators
- ❖ Shipping Companies
- ❖ Construction Companies
- ❖ EPC Contractors
- ❖ Government Departments
- ❖ Public Sector Organizations
- ❖ Industrial Associations

Why Visit?

Visitors will have the opportunity to:

- Discover the latest technologies
- Compare products from leading global suppliers
- Meet international manufacturers
- Source new equipment
- Find cost-effective industrial solutions
- Improve production efficiency
- Reduce operating costs
- Enhance workplace safety
- Learn about Industry 4.0 technologies
- Attend technical seminars and product demonstrations
- Build strategic partnerships
- Generate new business opportunities

Industry Focus

The exhibition serves the following industries:

- | | | |
|----------------------|--------------------|------------------------------|
| ❖ Cement | ❖ Sugar | ❖ Logistics |
| ❖ Steel | ❖ Chemicals | ❖ Warehousing |
| ❖ Mining & Quarrying | ❖ Fertilizers | ❖ Construction Materials |
| ❖ Grain Processing | ❖ Pharmaceuticals | ❖ Recycling |
| ❖ Flour Milling | ❖ Edible Oil | ❖ Waste Management |
| ❖ Rice Milling | ❖ Paper & Pulp | ❖ Glass |
| ❖ Feed Manufacturing | ❖ Textile | ❖ Ceramics |
| ❖ Poultry | ❖ Power Generation | ❖ Foundries |
| ❖ Aquaculture | ❖ Biomass | ❖ Infrastructure Development |
| ❖ Food Processing | ❖ Ports & Marine | |

Key Benefits for the Industry

Bulk Handling & Storage Expo Bangladesh plays a vital role in supporting industrial development by promoting efficient, safe, and sustainable material handling practices. The exhibition encourages technology transfer, investment, modernization, and collaboration between global suppliers and local industries.

By bringing together every segment of the bulk handling value chain, the event contributes to:

- | | |
|--|--|
| ❖ Improved productivity and operational efficiency | ❖ Better environmental compliance and dust control |
| ❖ Reduced material loss and waste | ❖ Stronger supply chain resilience |
| ❖ Lower maintenance and operating costs | ❖ Modernized storage and logistics infrastructure |
| ❖ Increased automation and digitalization | ❖ Sustainable industrial growth |
| ❖ Enhanced workplace health and safety | ❖ Greater international trade and investment opportunities |

Supporting Conference

The exhibition will be complemented by a high-level technical conference featuring industry experts, engineers, researchers, policymakers, and technology providers. The conference will explore topics such as:

BOOTH PARTICIPATION COST

SPACE OPTIONS

CORNER BOOTH (2 Sides Open)

USD 380 / sqm
+ 15% vat

SHELL SCHEME (1 Side Open)

USD 350 / sqm
+ 15% vat

BARE SPACE (Min 54 sqm)

USD 300 / sqm
+ 15% vat

STANDARD BOOTH INCLUDES

Partition walls

Carpet flooring

Fascia with
company name

1 Information desk + 2 Chairs

2 Tube lights

Power socket

Waste bin

MINIMUM SPACE: 9 sqm

About Organizer

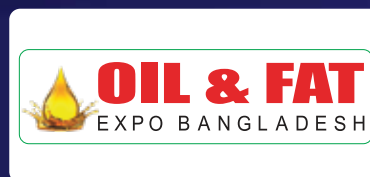

LIMRA Exhibitions is a global leader in organizing high-profile B2B international trade fairs, bridging industry innovation, market opportunities, and sustainable business growth across the world. Since its establishment, LIMRA Exhibitions has successfully organized more than 125 world-class international exhibitions across 14+ countries, bringing together global manufacturers, suppliers, traders, distributors, and investors with both emerging and established markets. Our events serve as trusted platforms for business expansion, knowledge exchange, and technology advancement.

Guided by a strong foundation of Core Values, LIMRA Exhibitions is committed to delivering excellence through integrity, professionalism, innovation, and customer-focused service. We believe in building long-term global partnerships, ensuring transparency in all operations, and creating meaningful business environments that support sustainable industry development. Our dedication to quality, responsibility, and continuous improvement drives every event we organize, enabling us to create impactful experiences and lasting value for our stakeholders worldwide.
